

# YOU ARE APPRECIATED!!

The past 2 years have been difficult to say the least, and there's probably no one who knows that better than you. You have been on the front lines during the scariest, craziest times we've ever been through, and I have immense gratitude for you!

Although people may have stopped saying thank you awhile ago, please know that there are still people out there that see you and appreciate you!

May 2022 get better SOON!!!  
Have a wonderful day!
